HALE M'COWEN, JR., CANDIDATE FOR DISTRICT ATTORNEY

Hale McCowen, Jr., has just returned from a trip over the county in the interests of his campaign for district attorney of this county and reports his fight in good shape. He is not a spectacular campaigner, but meets the voters in his quiet way and solicits their support. Hale McCowen, Jr., is too wellknown over the county to need an extended eulogy at the hands of the Press. He is a Mendocino county boy, born and raised here. He attended the local grammar and high schools and stood well in his classes and graduated from Stanford with the degrees of J. D. and A. B. and also from the law school. He was admitted to practice law on his diploma from law school some three years ago and since that time has had offices in this city.

Hale McCowen, Jr., is not at all spectacular, but rather gives one the impression of a deep thinker. His acquaintance is one that wears and the better you know him the better you will like him. He has made a gentle, manly camp aign, minus self praise or abuse of his opponent which has won him friends who will remain throughout life. The fact that he is a Mendocino county boy and that you have had an opportunity to know him all his life and that you have never heard any but favorable comment of him, should weigh in his favor. The fact that his father has served you faithfully in one of the most important capacities in the county, and that you have learend to respect him and trust him is a guarantee that the son will endeavor to emulate the example of his parent and that he will serve you faithfully and well. The fact that you have sons and daughters of your own who may aspire to honors at the hands of the people of this county should influence your vote in his favor. The fact that he has made his campaign without misrepresentation and that he has made no endeavor to twist facts or figures in his own favor even though it would gain him votes, should be an argument in his favor. Remember that it is not the man who is addressing you today whom you are electing to office, but the man as he will be while he is your servant for the coming four years.

You will make no mistake by voting for Hale McCowen for district attorney.

Camping on the Mendocino Coast

Delightful Time Spent by Editor and Party in the Vicinity of Point Arena —Trout, Surf Fish and Abalones are Plentiful and the Weather is Fine.

The editor has just returned from a camping trip on the coast and after a delightful two week's outing finds that it is harder than ever to get down to work. The camping trip was one of the most pleasant we have ever had, due partly to the delightful camping place on Alder creek, the ideal weather, the abundance of fish and the hospitality of the people who live at Point Arena and the south coast, but largely to our companion on fishing expeditions, Mr. John Cooley of Cloverdale and his lovable wife. And it must not be forgotten that during the last two days of the trip the camp life was brightened by the appearance of Pop and Mrs. McCray and Mrs. Roberts of McCrays. Any camp with Pop McCray around is bound to be a pleasant place.

Mr. Cooley is an expert fly caster and the editor can usually catch a few fish by drowning angle worms so the camp was well supplied with fish. Even Pop McCray proved some fisherman and grabbed a few and brought them into camp in his basket. Cooley and myself strongly suspected that Pop had met some of his numerous friends and had secured the fish by persuasion but he insisted that we should have seen him in the role of a fisherman when he was a boy. Cooley was a good sport and stood for everything from trout fishing to abalone hunting, but balked when it came to snaring surf fish. He admitted afterwards that he had at one time in his life held a sack and candle on a snipe hunting expedition and that the stories of dipping surf fish out of the waves sounded too fishy. He accompanied the party to Brush creek, however, and was convinced that surf fish really

STATE STREET NOW OPEN FOR TRAVEL

Fairbanks & Baechtel have completed their work on grading and paving State street and the street is now open for travel. The paving is a very good job and it is believed by the residents along the street that it will be very satisfactory. Messrs. Fairbanks & Baechtel take a pride in their work and have endeavored to give the people of Ukiah a first class job. They have just been awarded another contract on the state highway in Humboldt county. They have already completed one contract in Mendocino county and have another in Humboldt county almost completed. The engineers who have inspected their work say that it is the best work that has been done by contractors on the state highway.

POTTER WANTS ROAD.

Petitions are being circulated in Potter Valley asking for a road across to Redwood station. This road would be less than seven miles in length and about half of it is over practically level country and would require little grading. The road would be an easy grade and would be open for travel all winter. It would provide the people of Potter Valley a short and easy route to a railway station and also to the state highway. The road would be a good improvement and one that would be valuable to everyone who visits that section and it is to be hoped that the Potter Valley people will be successful in their attempt.

FORMER PASTOR IS IN TOILS OF LAW

Rev. E. E. Robbins, formerly pastor of the St. John's M. E. church of this city and also of Point Arena, was arrested Wednesday by a U. S. Deputy Marshal at Salinas charged with sending obscene letters through the mail. Rev. Robbins was wellknown in this county and has many friends here who hope that he will be able to disprove the charges.

UKIAH BUSINESSMAN IS CALLED TO REST

E. H. PERCY DIES FROM HEART FAILURE AT HIS GARAGE IN THIS CITY—WELLKNOWN AS A MILLWRIGHT IN THIS AND HUMBOLDT COUNTIES.

E. H. Percy, proprietor of the K. & P. Garage, was found dead in his office Tuesday morning. Dr. Rea was summoned immediately and found that heart failure was the cause of death. He had left home about 6 a. m. and was found dead an hour later. He had been a sufferer from heart trouble for several years. The remains were taken to San Francisco yesterday morning for cremation, a delegation of local Masons accompanying them.

The deceased was born at Battle Creek, Michigan, 64 years ago and for many years followed his trade of millright on the coast of this and Humboldt counties, having had charge of the building of the largest saw mills on the coast. In this county he had lived at Glen Blair and Fort Bragg before moving to Ukiah several years ago. He first opened a billard parlor which he disposed of and later turned his attention to the garage business. The deceased was prominent in Masonic circles, was a progressive business man and a good citizen.

He is survived by his widow and three children: Mrs. C. L. Brown of Mill Valley; Ed Percy of Fort Bragg and Earl Percy of Oakland.

WAR ADVANCES SUGAR

One evidence of the result of the war is that sugar has already advanced $1.50 on the 100 pounds. People in all lines of business are being advised by the wholesalers not to figure on contracts until they get current prices on the supplies they are handling.

BIG POSTERS OUT FOR HOP FESTIVAL

The various committees on the Hop Festival Association report progress beyond their fondest expectations. The interest that is being taken throughout the county in the Festival and Mendocino County Fair leads us to believe that the celebration this year will far excel anything of a similar nature that has ever before been attempted in this section. The horse races will be one of the big features of the show. There are at this time ten or twelve horses already in training at the track and H. B. Smith, who is in charge of this feature states that the public will be treated to the best meet that has take nplace on the local track since the good old halcyon days when "King Horse" ruled supreme at the district fairs. In addition to the trotting and pacing races there will also be running races participated in by saddle animals belonging to private owners throughout the county. This feature will undoubtedly be a banner one.

The sheep dog contest has aroused a friendly spirit of rivalry among the sheep men from one end of the county to the other and it is expected that practically every sheep dog of reputation will be entered. Entry blanks for this event are being mailed to the various owners of dogs. The entry fee for this event will be $2.50 and there will be three valuable trophies awarded to the three dogs that make the best showing. The judges will be selected with reference solely to the highest order of fitness; provided always, that no person will be permitted to act as judge where he is a competitor in any way. The work will consist of the general home work, i. e. taking the sheep from one corral around a marked course and placing them in another corral. The number of sheep to be handled will be left to those who have entered dogs in the contest, the majority ruling. The dogs that do the cleanest work with the least assistance from the handler will be declared the winners.

The committee in charge of advertising has secured the most attractive advertising matter that has been used by any of the North of the Bay Counties for similar occasions. It is their intention to cover the bill boards of Mendocino, Lake, Sonoma and Marin counties and it is our belief that this advertising campaign will result in bringing the largest crowds to Ukiah that this city has ever been called upon to entertain.

The amusement features have all been signed up and are an assured success, and now it is up to the farmers of the county to make our agricultural live stock and poultry show one that we may well be proud of. It is impossible for the committees having this end in charge to call upon the individual farmer to solicit exhibits and they are relying upon the individual feeling of pride that each man has in his county and in his own farm in particular, to get together a display that will surprise not only the stranger that will come to us, but that will even astonish his next door neighbor.

VENIRE DRAWN FOR THE AUGUST COURT

The following venire of jurymen was drawn Monday to appear in the Superior Court August 18 at 10 a. m.: D. H. Lawson, W. N. Dutton, Bert F. Thomas, W. D. Akers, Louis M. Hildreth, F. E. Howell, Ukiah; C. W. Marshal, Hammer Olsen, Philo; C. T. Ingram, R. T. Hutsell, T. G. Stevens, Boonville; Wm. Gowell, Navarro; Aug Linser, Cummings; Maurice Carey, Cleone; John Thurman, Jr., Andrew Christansen, Aug Miller, Arthur Comegys, Point Arena; Geo. Hood, M. Neilson, O. S. Thompson, Hopland; Ed Snickers, Elk; C. W. McFaul, Wm. Hitchens, Westport; Jas Macksente, Ornbaun; Douglass Hamilton, Manchester; C. E. Osborne, Otto Newman, Comptche; D. F. Parrish, Noyo; Martin V. B. Smith, Potter.

The board of education met Saturday and issued teachers certificates to Olive Rose Roschner, William A. Chessall, Julia C. Bohn and Kate E. Short.

FAMILY REUNION AT THE REED HOME

EIGHTY-SEVENTH BIRTHDAY OF WELLKNOWN TOWNSMAN CELEBRATED WITH A FAMILY REUNION OF THE SONS AND DAUGHTERS AND THEIR FAMILIES.

I. C. Reed celebrated his 87th birthday yesterday with a family reunion. A sumptuous dinner was served at his residence in Wagonseller addition at noon to his immediate family. Mr. Reed is one of the early pioneers of this valley and is still hale and hearty at his advanced age. His many friends trust that he may enjoy many more such happy days. Those present were the following sons and daughters and their families: Mrs. S. B. Hatch and family of Ukiah; Mrs. Ryder of San Diego; Mrs. Lear and two sons of Portola; Mrs. George Scott and family of Upperlake; Mrs. J. H. Lane of Oakland; Chas. W. Reed and wife of Klammath; L. G. Reed and wife and son of Stockton; Fred Reed of Oakland.

CHARGED WITH ROBBERY

George A. Fox of San Francisco was arrested last Friday in Willits charged with the diamond robbery at Cloverdale which recently created such a stir. The warrant was sworn to by Mrs. Gossman, who lost the diamonds. Fox was on his way to S. F. with his wife and daughter and was bound over to the superior court in $3000 bail, which he has not yet raised.

INJURED IN AUTO ACCIDENT

Mrs. George Hulett of Hopland and Miss Jeffie Hardin of San Francisco were in an auto accident Saturday and it was reported that they were killed, but afterwards that they were both seriously injured. Mr. Hulett was at his Hopland ranch and left for San Francisco by auto. The young ladies are both wellknown here and are nieces of Auditor Mathews. Their many friends are glad to know that the first report was not true.

MRS. JOE EDWARDS DEAD.

Katie Barnett Edwards died in Oakland last Thursday afternoon after a lingering illness and the remains were brought to this city for interment, the funeral being held from the Christian church Monday afternoon. The deceased was the wife of Joe Edwards of Potter and was a very estimable woman. She was a native of Ireland, aged 54 years, 2 months and 21 days.

PROGRAM FOR RACES HOP FESTIVAL WEEK

The Racing Committee, consisting of J. L. McCracken, F. C. Handy, H. B. Smith, J. L. Charlton and George P. Anderson, apointed by the Hop Festival Association, have made up a speed program for three days racing during the Hop Festival. The committee has confined the racing to horses owned in Mendocino county since June 1st. The financial allowance for a race meeting woul not justify outside horses coming here to race. The committee has made diligent inquiry as to all horses owned in Mendocino county that would likely race when the time comes in order to get as many competetors os possible and finally when the list was submitted had it not been that there was quite a rivalry between certain of the owners of Ukiah horses, it would have been impossible to give more that a two day's meeting, but as the program is now arranged there will be three days of racing sport, on September 15, 16 and 19, leaving an intermission of two days which will be filled with base ball games and other entertainment, which will make a five day's high class and interesting performance at the fair grounds.

There are four pacers owned in Ukiah, any one of which can step a mile in 2:20, and the owner of each thinks he has the best, and in consequence of their belief they are willing to back their judgment by adding even more to the purse than is given by the association.

On the first day, Tuesday, September 15th, the first race will be a trot, mile heats, 3 in 5, between L. Cunningham's bay gelding, McGilvray; George P. Anderson's brown gelding, Decoration W. and Fred W. Dart's brown gelding, Don Pedro. The owners subscribe $50 each and the association gives $50, making a purse of $200.

The second race on the same day will be a match pacing, mile heats, 3 in 5, between Lew Charlton's chestnut mare, Rose Thorn, and C. H. Wilgus' black gelding, Charley J. The owners have subscribed $100 each and the association gives $75, making a purse of $275, winner to take all. There has been much speculation as to the merits of these two horses and much discussion has been had in the past as to which was the faster, although they have had an opportunity to be pitted against each other in race. Rose Thorn has for several years past had the distinction of being considered the fastest horse in Mendocino county and while Charley is in a sense, an unknown quantity, he has started and

APPARENT DISCREPANCIES IN KASCH'S STATEMENT

Secretary of Harvard Says He is Not A Graduate—San Francisco Register of Action Fails to Show Cases He Claims to Have Tried.

After looking over the announcement of Mr. Charles Kasch for District Attorney and hearing his public statements, it will be found that the records do not bear him out in two impirtant matters. In the issue of the Republican Press of June 12, 1914, will be found Mr. Kasch's announcement stating "Charles Kasch was born on a dairy ranch in Humboldt county about 27 years ago and was graduated from all the schools in Arcata and from the University of California and from the Harvard Law School."

From Harvard University comes the advice from J. Peabody Gardner, secretary of that institution, that "Charles Kasch received no diploma from Harvard University."

Mr. Kasch further states in his announcement that he practiced law in San Francisco one year before coming to Ukiah and has, since being admitted to practice on January 9, 1913, tried 103 contested cases. Since coming to Ukiah Mr. Kasch claims to have tried perhaps a dozen cases which leaves about ninety contested cases to have been tried during the year Mr. Kasch practiced law in San Francisco.

Here is what the records show, having been searched by Mr. Don C. Barrett a reputable attorney of San Francisco:

State of California,
City and County of San Franciso, } ss.

DON CARLOS BARRETT, being first duly sworn, deposes and says:

That he is a male citizen of the State of California and over the age of twenty-one years and is an attorney-at-law duly admitted to practise in all the courts of said state and resides at San Francisco, California;

That he has made a careful search of all the Registers of Actions in civil, criminal and probate matters before the Superior Court of the City and County of San Francisco for the year beginning January 1st, 1913, and ending December 31st, 1913, which said Registers of Action show all of the cases filed in said departments of said court during said year and the names of the attorneys appearing in said cases;

Affiant further says that he has made a careful search of all the Justices' dockets as kept by the clerk of

IN SPITE OF BIG CROPS STATE SUFFERS LOSS UNDER PRESENT TARIFF

Full Benefit of Bumper Year Is Lost to California

FOREIGN IMPORTERS FATTEN AT EXPENSE OF HOME PRODUCERS AND CONSUMERS

In spite of the fact that the State of California is reaping most bounteous harvests in all kinds of fruits, vegetables, hay, grain and other products of the soil, and that the most glowing accounts of prosperity are reported from various sections of the State, California will not reap the full benefit of the bumper year owing to the fact that many of its industries have been hard hit by the operation of the Democratic tariff law. Already in the citrus fruit belt the reduction in the tariff on oranges and lemons has been sorely felt by growers, and their experiences have been equaled, if not exceeded, by the raisers of sugar beets.

Others who have had similar experiences to those mentioned are the wool, olive, raisin, almond and walnut growers, bean raisers, those interested in the production of honey and figs, besides many others directly or indirectly connected with the various industries named.

Owing to the fact that California is naturally a high tariff State, Congressman Joseph R. Knowland, for ten years a member of the Lower House of Congress, and now seeking the office of United States Senator on the Republican ticket, has made a close study of the workings of the Democratic tariff. Following are some of the interesting things which he has found after exhaustive study:

During the first six months under the Underwood tariff bill foreign lemons were imported to the value of $1,867,925, an increase of 60 per cent over the corresponding period under a Republican tariff.

Butter to the amount of 6,492,658 pounds came into the United States during the first six months during the Democratic tariff, an increase of 901 per cent.

For the same period, 4,160,388 dozen eggs were imported, most of them from China, an increase of 484 per cent over the corresponding period under the Republican tariff. The situation is particularly damaging to those interested in the chicken industry.

Foreign beans have been imported to the extent of 987,794 bushels, an increase of 84 per cent. Most of these beans came from China, and are in competition with the California grown bean.

4,582,646 pounds of unshelled almonds were imported, an increase of 118 per cent; 24,120,894 pounds of walnuts, unshelled, were imported, an increase of 79 per cent over the importations under the Republican tariff.

In April, which is the last month in which official figures are available, the importation of raisins has increased 314 per cent over the corresponding month under the Republican tariff.

Importations of figs showed a 305 per cent increase for the same period; currants, an increase of 285 per cent; olive oil, 142 per cent, and olives, 34 per cent.

The beet sugar industry, representing $20,000,000 in factories, land and equipment, has been badly crippled due to the reduction in the duty on foreign sugar and promises to suffer still more with the Democratic proposal to remove the duty entirely.

Throughout his speeches in California Congressman Knowland has openly charged that the reductions in the tariff, which have hurt this State, were made at the behest of foreign importers and representatives of foreign countries which were vitally interested in successful competition with American industries. He particularly notes those countries where cheap labor prevails and where the tariff was the only protection against competition impossible to meet in a State where the cost of labor is as high as in California.

The only result of the competition so far has been that of lessening, by a marked degree, the profit to the producer and has made absolutely no reduction in the cost to the consumer.

MEMBERS OF FACULTY TO MEET

Several members of the faculty will be at the high school on Friday and Saturday, August 21 and 22, to talk over the courses with the new students and help old students arrange for certain optional subjects, which will not be offered unless sufficient pupils want them. When school opens on the 24th, the year's program will be definitely arranged, hence it is urged that as many as possible take this opportunity of getting acquainted with the courses of study. B. A. Lindsay, Principal.

A TRIED OFFICIAL FOR RE-ELECTION

Associate Justice Frank M. Angellotti, candidate for Chief Justice of the Supreme Court, to be voted for at the primary election on the 25th day of this month, has been tried and has not been found wanting in any respect.

For twenty-four years, Justice Angellotti has served the people of California faithfully and efficiently as a judge.

For the first twelve years he was on the bench of his native county, Marin, and during the last twelve years he has been on the Supreme bench.

No other candidate for the high office possesses the experience resulting from twelve years as a member of the court over which he aspires to preside. Other candiates are entirely without Appellate court experience.

Justice Angellotti is a native son and always has lived in California and in both public and private life he has been above suspicion and reproach.

Vote for Justice Angellotti at the primary and thus insure his retention in our highest tribunal.

A NOVEL FENCE IDEA.

F. H. Gifford was down from Tanglewild, his home in Redwood Valley, this week on a business visit. Mr. Gifford has a barbed wire fence around his ranch and has taken precaution to comply with the state law regarding the placing of boards on the wire to protect stock. His idea of doing so is a novel one, as each board bears an advertisement. The work is very neat and adds to the novelty of the fencing.

THEODORE HALE

Candidate for Superior Judge of Mendocino County, endorsed by the Republican, Progressive and Independent Voters.

SANDELIN BUYS FOR THE NEW HOTEL

Frank Sandelin of the Palace hotel returned last week from a business visit in San Francisco. While there Frank was buying the furnishings for the New Palace hotel. He succeeded in making a splendid buy when he secured a portion of the finest furnishings of the Union Square hotel. The furniture is new and of a very high grade. He has also purchased a large amount of new stuff for the new rooms. Frank will have one of the finest hotels in the state when it is completed.

$100 Reward, $100

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials.

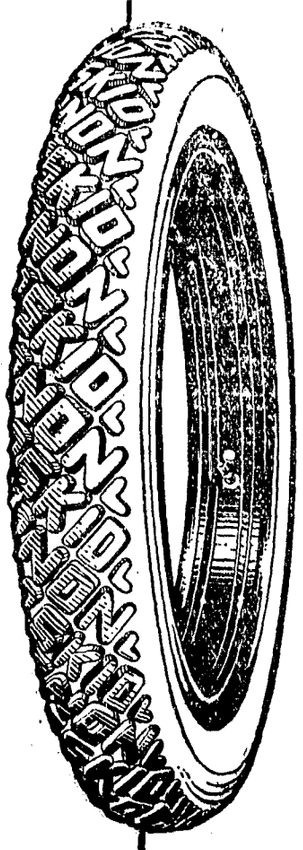
Keeps Quality Up



and Price Down

Double Value In Firestone Volume

THE big difference in quality between Firestones and ordinary tires would make Firestones cost much more under ordinary conditions.

But Firestone conditions are not ordinary.

The picked experts of the tire making industry build Firestone tires.

The largest exclusive tire factory in America produces Firestone tires.

The most efficient distributing system in America markets Firestone tires.

That's why these tires have the quality and endurance to beat all the tires of the world—and still come to you at only average price.

The record of races won on Firestone Tires has been spectacular. Their road-work in daily grind has clinched the Firestone slogan—

Most Miles per Dollar

Therefore choose Firestones—for the common-sense reason of [illegible] quality put out in enormous quantity by specialists who make nothing else.

PERSONAL MENTION LOCAL HAPPENINGS

The Christian Science subject for next Sunday is "Soul."

Mrs. F. E. Rea and children are visiting Mr. and Mrs. J. N. Rea at Mendocino.

Mrs. C. E. Pettis returned this week from Fort Bragg where she had been to visit her son, Attorney Pettis and wife. She reports a very pleasant trip.

Mrs. Helen Jennings, formerly of this city, presented her husband with a 9¼ pound girl at Fresno last week. Mother and daughter are doing nicely.

Wes Ford is short one turkey which has been roosting on Lloyd Wallace's automobile all summer. Butch is offerring it at 28 cents per and may put it on cold storage for Christmas.

"The deeds of great men live after them"—the pleasant effect of a drink of Old Gilt Edge Whiskey is also lasting.

Thos. F. Griffin of Modesto, democratic candidate for U. S. Senator, addressed the voters in front of the court house Wednesday evening.

J. W. Eversole is advertising a rug sale. It will pay you to look over his stock as he is offering some bargains.

The Hudsons and Mrs. A. O. Carpenter are camping on Mill creek.

A. O. Carpenter and John Cunningham left this week with rigs laden with election supplies which they will deliver to various portions of the county.

Mrs. Lucy McGeorge was a business visitor to Santa Rosa last week. While there she was an energetic booster for the Hop Festival.

Miss Ada Pullen is visiting Mrs. S. H. Stone of Santa Rosa.

Mrs. Wm. Thompson of Potter and children have been visiting with her parents, Mr. and Mrs. James Pullen, at their ranch north of town.

Walter Cheshire of Des Moines has returned to his home after a visit with Mr. and Mrs. James Pullen. He is a nephew of the Pullens and was well pleased with California.

Mr. and Mrs. T. A. Templeton recently returned from a business visit in San Francisco.

Mrs. W. W. Hunt, who has been visiting Mrs. W. W. Moody, has returned to her home in Oakland.

Mail Orders to S. & S. 936 Stanley St. Ukiah or Leave at PRESS OFFICE

Mrs. Fred Wagner of Sherwood and Mrs. G. Cheney of Oakland arrived Tuesday and will be guests of Mrs. W. W. Moody for several days.

Chas. Roller and wife left this week for a camping trip on the Noyo river and expect to be gone several days.

Jess Porterfield came up from El Centro this week to spend his vacation. He reports that the thermometer registered 123 last Sunday and that this was too much for him. His wife and family have been visiting here for the past month. Jess is feeling fine and has a good position with the largest store in El Centro and reports that all of the other former Ukiahites there are doing well.

Dr. and Mrs. G. W. Stout will leave in a few days for the northern part of the county on a camping trip. The doctor has bought up all of the flys and tackle in town and will do some fishing and he is said to be some fisherman. They will spend a part of their time in Jackson Valley, the only place in the county that the doctor has never visited. He also expects to bag the limit of deer.

Chester Cox and family are spending their vacation on the south coast and will camp on the Navarro and Garcia rivers. Chester says that he will catch some big ones.

Laurence McCready, after spending her vacation with her parents in this city, has returned to her school at Gaskill. Miss McCready is developing into one of the most popular teachers in the county and has given good satisfaction at her school.

Harry McCready of Oakland has returned after a visit with his grandparents, Mr. and Mrs. T. H. McCready, of this city. His grandmother is very proud of him as he is so interested in his studies.

Mrs. C. E. Pettis is visiting her son, Attorney Pettis and wife, at their home in Fort Bragg.

Mrs. O. B. Matson of Santa Rosa returned last week from a visit to her sister, Mrs. O. K. Newell of this city and her brother, Geo. L. Magneson of Redwood Valley. She is very much pleased with Mendocino county and promises to be a frequent visitor.

Mr. and Mrs. O. B. Newell and family have recently moved to this city from Covelo and will make their home here.

Geo. L. Magneson and nieces and Mr. Poma of Redwood Valley were in town this week on a visit, making the trip in Mr. Magneson's auto.

Mrs. Fred Thomas has been on the coast where her daughter, Muriel joined her after the closing of her school and they went for a visit with friends and relatives in Palo Alto and the bay cities. Miss Muriel will have the coyote school next year.

If you are a progressive or a democrat no one will blame you for being foolish enough to write in the name of William Kent for congressman. If you are a Republican and do so you have no one to blame but yourself if the price of what you are producing is reduced on account of the free trade. A vote for Edward H. Hart is a vote for a return to the times of prosperity. 9-2t.

APPARENT DISCREPANCIES IN KASCH'S STATEMENT

(Continued from page 1)

the Justices' Court of the said City and County of San Francisco, State of California, for the year commencing January 1st, 1913, and ending December 31st, 1913, which said Justices' dockets show all of the cases filed in said court during said year and the names of the attorneys appearing in the same.

That the said records above enumerated show that from January 1st, 1913, to December 31st, 1913, Charles Kasch appeared as attorney of record in the following number of cases:

Civil Cases .....None
Probate Cases .....None
Criminal Cases .....None
Justices' Court Cases .....None
TOTAL NUMBER OF CASES..NONE

DON CARLOS BARRETT.

Subscribed and sworn to before me this 11th day of August, 1914.

(SEAL) HENRY B. LISTER,
Notary Public, in and for the City and County of San Francisco, State of California.

As these statements were made to the editor of this paper by Mr. Kasch and were published by us in good faith we feel that our subscribers should be given the facts of the matter. If Mr. Kasch can explain the discrepancies between his published statement and his record as it appears from the best information obtainable, he will be given an opportunity to do so in next week's issue, which will be published in ample time to reach the voters before election.

We feel that Mr. Kasch should explain to the public and we call upon him to exhibit at this office his diploma from Harvard and a certificate from the County Clerk of San Francisco showing the 103 contested cases he has tried, in support of the statements made in his announcement.

OUR BOONVILLE CORRESPONDENCE

BOONVILLE, Aug. 13.—From the number of head-on-collisions of automobiles that are reported on the turns and curves of the grades, it would seem that drivers are willfully careless and the disposition to "hold the road" is to be deplored as the reports come from some who travel on the roads. Occasionally there is also the driver of a horse drawn vehicle that "takes that smart auto driver down" by holding the road and waiting his own good time to give way. I am not an auto driver, but it would seem I would figure an auto coming to meet me on a short turn of the road at as fast a rate of speed, at least, better consider it coming faster, than I may be moving and from the drivers seat he can't see my machine until within a few feet of mine and if the other machine be running with cut-off open my signal can't be heard if I observe him and signal. Can't the matter be put on a little safer footing?

Miss Whipple, teacher of the Anderson school, was a business visitor to Ukiah Saturday.

Frank and Perry Irish of Turlock, but formerly of this valley, are visiting here and will be with us several weeks.

Dr. Rea was called again to the bed side of M. R. Prather Sunday. Mr. Prather has been a sufferer for many months and at this writing his stay longer on earth seems short.

The small daughter of I. C. Burke and a young daughter of J. T. Farrer figured in an auto accident Sunday in which serious injury to the little girls was narrowly averted. It seems the girls were both riding a young colt when an auto approached and in attempting to rein the animal out of the road it moved in the wrong direction and was struck by the machine when the girls were thrown to the ground considerably bruised and possibly one has a broken collar bone. The driver is naturally criticised severely and possibly not at fault, but naturally you would say "should not have permitted such t ohappen."

Thos. Ornbaun and wife were visitors at Orr's Springs Saturday. Mrs. Ornbaun returned here, while Thomas will remain there for some time.

Mrs. Scott, daughter of R. T. Hutsell, is visiting her parents, while Mrs. Campbell of Mt. View is also a guest at the Hutsell home. Mrs. Scott is from San Francisco.

The ball game of Sunday on the Willits diamond resulted in a victory of 4 to 2 for the Willits team over Boonville. The Boonville lads made the trip in Babcock's I. H. C. truck. ABC.

RETURN FROM YOSEMITE

Mr. and Mrs. George Wilcox returned this week from a six week's camping trip to the Yosemite Valley. They report that Bert Van Nader's descriptions of the roads in that section is no exaggeration, although they had a pleasant trip and report that the beauties of the valley amply compensate you for the hardships of the trip.
